Greater
15 Days

This study plan is a complement to the Central Live album titled Greater, and covers some of the scriptural truths that inspired us when writing it. For the next two weeks, let's explore and savor the personality of God, worship Him through song, and live with fresh gratefulness for our rescue. Greater comes from John 3:30, which is an aim Central Live strives to achieve every day: "He must become greater and I must become less."

Greater Salvation Through Jesus — Jesus Is Greater Series #1

Jesus — Is there anyone greater? NO! This is Part One of Nine devotional plans walking us through the Book of Hebrews. This first part sets the stage of Jesus' Greatness and shows what sets Him apart. God's people faced a tough choice — follow Jesus and lose everything, or go back. Is following Jesus worth losing so much? We find ourselves asking — and responding — to the same question today.

Challenges Of Holding Fast—Jesus Is Greater Series #6
5 Days

Walking with God is not easy. When we choose to follow God with our whole heart, things get harder. What keeps us on this path? Why do we choose to journey with Him? Because JESUS IS GREATER! In this plan, Six of Nine, in our journey through Hebrews, we see how our life with Jesus can and will get challenging. Holding on may not always be easy, but it will be worth it.
