

Equipping Conference 2018

Hello

We are so glad that you have chosen to spend this time with us. We have been planning and praying that God would use this conference to strengthen you and our church. We have so many things that we want to see God do over the next 3 days. You are going to be hearing from those who sit around you each and every week. You will hear how God is speaking to them, and how God is using them as His tool to change the lives of those in their Inner Circle. We hope that you do “ask” and we hope that you do “imagine” what could happen with God at the center of your life. From our time in worship to our time in “play,” please ask God what He wants you to take away from our time together. It is going to be a great time of growth and fellowship. So sit back or lean in, but please let God use this time in further growth in Him.

ROOTED

Connects people to God, His Church and their Purpose

ROOTED is a simple, proven method to build disciples. It is not just for new believers or new members; it's for the whole church. ROOTED changes the way people are disciplined and impacts holistic church growth while building, launching and sustaining healthy life-changing small groups and/or, in some cases at Cedars Church, house church groups.

WHY ROOTED?

EXPERIENTIAL LEARNING Research has proven that one of the most powerful ways we retain information is through experience. Through an experiential model, ROOTED teaches people what it means to be a disciple of Jesus, built on faith's foundational elements such as worship, generosity, service, evangelism, prayer and studying God's word.

SPIRITUAL COMMUNITY ROOTED groups model the value of healthy spiritual community and simultaneously trains leaders to lead thriving life groups/house church well beyond the 10-week experience. The entire Rooted experience is built with this goal in mind.

WHY SIGN UP FOR ROOTED HERE AT CEDARS CHURCH

Do you believe God has uniquely created you with a purpose and plan? What if you heard God speak and you felt the love of Jesus in a profound way? Imagine yourself in a community of people who cared for you, listened to you and supported you. What if you stepped into the Rooted journey and experienced personal transformation? Rooted is a catalyst for life change where discussion is held in a small group environment, creating a safe space for biblical exploration and practical learning experiences. We believe God will use this curriculum as a tool to bring life change and transformation. Rooted is for people in every life stage, wherever they are on their walk with Christ. The weekly readings teach us what it means to be a disciple of Jesus through an experiential model built on foundational elements of Christianity.

We have sessions in the Fall, Winter and Spring! We take the summers off. Class materials cost \$50.00 and there is an additional cost for Childcare.

We have great facilitators. Talk to a staff person today if you have any questions.

Come, be still, and encounter God

BreathE Conference (C&MA Central Pacific District - Children & Family Ministries)

“Be still and know that I am God” Psalm 46:10

Children and Family Ministry is an impartation ministry. What is in our heart flows out to those we minister to.

God wants to encounter every area of our hearts and souls to transform them to become more like His. As we are honest and live this exposed life before our Heavenly Father, He exchanges the brokenness, the pain, the doubt, and all the wounds within to allow us to fully encounter His love. Beyond our selves we live in a busy, lost, and distracted world - which wages the battle against being still with Our God and allow Him to do the deep healing work in us.

Think about what could happen if the generation we are discipling now learned to lived with heart and soul encounters with Christ in every day life. If they could learn to be still and know their God even in the face of the busy demands. How could they learn to live this way? The simple and tough answer - through us living it in front of them.

Come alone or bring your team, and join us at the BreathE conference as we go before the Father to surrender our hearts to Him and allow His transformation life to take place and experience practical steps that we can live out in our ministry.

“The Spirit of God has made me, and the breath of the Almighty gives me life.” Job 33:4 ESV
